

Golfland Golf Studio Coaching Products

This is a description of the coaching products that Golfland offers to members and visitors. The description and the prices are subject to change without notice.

Green Card

Learn to play golf the proper way. The Golfland Green Card package includes 10 full lessons with one of our pros. The last lesson will be a Green Card test. All lessons will be held at Golfland in Alvor. You will be playing in The Golfland Trackman Studio using the latest technology to help you understand and learn the important things about your golf swing and the golf shot. You will learn how to put like a professional on the putting green and on the mini golf course. You will learn the basic rules of golf including golf etiquette. All equipment required is provided by Golfland.

You will get an official Green Card issued by our pros. With this Green Card you will be entitled to play golf courses all over the world.

Package price including test and Green Card: 540€
